

European Vitreo Retinal Society

A Certain Philosophy

Dear Friends,

I hope you are all well.

It seems that only yesterday we were celebrating a New Year and now we are moving into Spring.

Time really does fly and we are rapidly approaching some of our EVRS deadlines.

I remind you that:

ABSTRACT SUBMISSION DEADLINE is on MARCH 15.

As you all know it takes a lot of time and effort to go through the abstracts and to prepare the Scientific Program.

And as you all know, this work is carried out by Board Members voluntarily, nobody gets any compensation for their work.

Therefore; this has to be done in the context of busy professional lives.

This is done to minimise costs and maximise benefits for Members.

This honours EVRS' philosophy of being a Society which really belongs to its Members.

I therefore ask you to make a special effort and to send your abstracts on time thus showing respect for the work we carry out for each and everyone of you as well as a sense of belonging to your Society.

I thank you in advance for your cooperation.
